## ENDNOTES

<sup>1</sup> The credit rate for a particular school or average Tuition Level is subject to change in the event that the school, or a school included in the average, changes its tuition rate for academic year 2014-2015. Some of the credit rates reflect the assessment of a premium designed to maintain the fiscal integrity of the Guaranteed Savings Plan (see endnote 3).

<sup>2</sup> Millersville University (PA Resident Rate), California University (Active Military & Family Rate), the PA College of Technology, and some community colleges (as indicated on this PA 529 GSP Credit Rate Schedule) charge only by the academic credit, not by the semester. Therefore, semester rates are not listed for those schools. For schools that charge a semester rate, the PA 529 GSP Semester Rate is the sum of either 12 or 15 PA 529 GSP Credits, depending on the actual rate set by the school. See endnote 17.

<sup>3</sup> The following credit rates include premiums: State-Related University Average (6%), the Pennsylvania State University-all Tuition Levels (6%), and the University of Pittsburgh-all Tuition Levels (6%).

<sup>4</sup> In calculating the State-Related University Average, all State-Related University Tuition Levels that were used in calculating the average for academic year 2004-05 were used; any Tuition Levels that were added in academic year 2005-06 or after were not included.

<sup>5</sup> In order to be eligible for this credit rate, certain conditions apply as briefly described below. Please contact the school for more information:

<sup>6</sup> The rates for this Tuition Level are based on the average of Freshman, Sophomore, Junior, and Senior tuition charges for all programs of study except those for which separate Tuition Levels are specified. Starting in academic year 2016-17, for beneficiaries at this Tuition Level, all payments from the GSP at this Tuition Level will be made at the average actual tuition of the class levels used in calculating the rates (Average) regardless of the academic status of the beneficiary. For academic years 2013-14 until 2016-17, payment will be made at the Average tuition rate or the actual tuition set by the school for the class level which the beneficiary has attained (Actual) as indicated in the following chart:

Payment rate in academic year	Beneficiaries who were Freshmen in 2013-14	Beneficiaries who were Sophomores in 2013-14	Beneficiaries who were Juniors in 2013-14	Beneficiaries who were Seniors in 2013-14
2013-14	Average	Average	Actual	Actual
2014-15	Average	Actual	Actual	
2015-16	Average	Actual		
2016-17	Average			

For all academic years, for beneficiaries at this Tuition Level who attend a private or out-of-state school, payment from the GSP will be made at the Average Actual Tuition rate.
