4. Signature – YOU MUST SIGN BELOW

Check with your current plan to see if you need a signature guarantee, or additional documentation or forms to facilitate the transfer.

If your current 529 program manager or ESA custodian requires a Signature Guarantee, do not sign below until you are in the presence of the authorized officer of a bank, broker, or other qualified financial institution. The guaranteeing institution is financially responsible if the signature isn't genuine. A notary public cannot provide a Signature Guarantee, nor can you guarantee your own signature. The lack of a required Signature Guarantee could delay this rollover.

I certify that I have read the GSP Disclosure Statement and understand the rules and regulations governing rollover contributions from other 529 plans and Coverdell ESA. I also certify that the 529 plan rollover contribution will be made within 60 days of withdrawal from the former program. I understand that IRS regulations permit only one such rollover for the same Beneficiary in a 12-month period for 529 accounts.
